from contracting tuberculosis - Proposals - Approved.

GOVERNMENT OF MADRAS
Abstract

MEDICAL EXAMINATION - Medical students and nurses - Prevention from contracting tuberculosis - Proposals - Approved.

PUBLIC HEALTH DEPARTMENT

G.O.MS.NO. 3063

Dated the 10th September 1947.

Read the following:-

From the Surgeon-General R.No. 80479-E2-dated 21.1.1947.
From the Surgeon-General R.No. 13153-E2-dated 26.6.1947.
From the Surgeon-General R.No. 13153-E2-dated 14.8.1947.

O R D E R:

It has been brought to the notice of Government that a number of medical students and nurses contract tuberculosis during their period of study and training. The Government consider that to prevent this, a through annual medical examination should be ~~xxxxxx~~ carried out in case of both medical students and nurses. With this view, they approve the following proposals of the Surgeon General.

(1) The Superintendents of the hospitals attached to the medical colleges should arrange for the medical examination of the medical students on their admission into the colleges and for an annual examination of the other students who are already on the rolls of the colleges by the Physicians of the hospitals in convenient batches and in cases where there is a suspicion of tuberculosis, on X-Ray examination or ~~xxx~~ screening may be done.

(2) The Superintendents of the hospitals concerned should follow similar in the case of pupil nurses.

(3) A card index in respect of each medical student and pupil nurse should be maintained recording the result of the examination.

The Government agree with the Surgeon-General that the medical examination as well as the X-Ray examination wherever necessary, may be done without payment of fees.
